66% or higher get a blue ribbon

65.99% to 60% get a red ribbon

59.99% to 50% get a yellow ribbon

**Tests offered:** \$65 per test if riding your own horse, \$75 per test if riding a TE horse. Riders may ride the same test more than once.

Small arena: Tests ridden in a small arena include 2023 USEF Introductory and Training level tests and all 2026 USEA Eventing tests (Starter, BN, N, T...)

Large arena: The ring will be transitioned to a large arena at the conclusion of the small arena tests. Large arena tests are 2023 USEF First level tests (and above). If for some reason you would like to ride a test that is traditionally in a small arena in the large arena please note it on your entry form.

Fix-a-test: \$90 per test if riding your own horse, \$100 per test if riding a TE horse. Like a mini dressage lesson, you will perform your test and then get feedback from the judge, work on problem areas, and ride test again, if desired.
